**As your bishop and as I get to know each of you, I only want to know two things this year: What are you good at and what do you like to do? This can be anything, not just things within church / faith life. So, if you like to trim bonsai plants, let me know that. Movie buff? Tell me! Like reading? Enjoy writing sermons? Write it down. Eating with friends? Me too! Are you good at excel? I want to know.**

What are you good at?

What do you like to do?

Ok. One more thing because I am a naturally curious person: If you are serving a congregation (or two), how many people has that congregation sent to seminary in the course of its existence? How many went on to serve the church on its roster?
