

# HIGHLIGHTS AND CHANGES

The 2019 Synod Assembly will be at the John S. Knight Center in downtown Akron, Friday, June 14 - Saturday, June 15. Doors open at 7:30 a.m. both Friday and Saturday.

ELCA "Glocal" musicians will be joining us at this year's assembly to help lead us in worship; provide two plenary sessions relating to "Who is my neighbor? -Luke 10:25-37"; and two workshops. To Learn more about Glocal search ELCA Glocal.

## Glocal Workshop Session I: Cross-Generational Engagement

Empower youth and all ages within the congregation for a local and global connection. Discover ways to meaningfully weave all generations into the life of mission. This workshop offers approaches beyond traditional, age-segregated classroom settings, and is intended for Sunday school teachers, youth and children ministers, parents, godparents and all caring adults.

## Glocal Workshop Session II: Music—A language that speaks volumes

If music has a language of its own, how can we learn it? What is it made of? Is it really universal? In this workshop we sing and share our songs and stories in order to understand what they are telling us, beyond their lyrics, and be able to share their meaning with others. Learn how to sing songs from four different continents of the world. Experiment how to play drums, percussion, sing in different languages and explore different styles of music.
