IHC Advantage Family Plan 2019

For established patients only

The Family Plan is designed to help:

1. Those who do not have insurance
OR
2. If insurance plans do not cover naturopathic physician services.

Basic Plan: \$600 for 5 office visits.

Annual Plan: \$1200 for 10 office visits.

How the Plan Works

You qualify for the Advantage Family Plan *after* your initial consultation.

- The initial consultation is \$280
- Subsequent visits are \$120 each.

This applies to all immediate family members *after* their initial office visit.

I can discuss this with you at your next visit.

How The Plan May Be Applied: **

1. In-person or virtual office visit.
2. Telephone or Zoom consult that involves a discussion, opinion or treatment plan
3. Text or email consult that involves a discussion, opinion or treatment plan.

** Please send me a message through the IHC patient portal (for established patients only) since it is HIPAA compliant.

More Plan Advantages:

1. 10% off dispensary items except homoeopathic remedies.
2. 10% off appointments cancelled less than a 24-hr. notice prior to the office visit.
3. Free “Pram Talks” webinars.
4. The unused Plan visit can be carried over to the following year.

Naturopathic medicine is not only for the rich and famous but for all who seek it.

Take advantage of the Advantage Family Plan if this is the right plan for you and your family and save.
