

On-campus small group activities will resume for preschool and children (**ages 8 weeks - Grade 4**) on Sundays beginning **August 9** and Wednesdays beginning **September 9**.

Join us on Wednesday, **August 5** at 6:30 p.m. for a very important and informational Open House meeting in the three-story Children's Building.

Before you come:

- Preregister your child each week at www.firstmiddleburg.org/registrations or call the church office at (904) 282-5289 by Friday at 12:00 P.M. Class sizes are limited.
- Prior to coming to church, it is recommended that everyone in your family take their temperatures.
- Parents and children should not come to church if they have symptoms such as cough, shortness of breath, runny nose or eyes, sore throat, diarrhea or vomiting, rash (unexplained), or open sores. If your child exhibits such symptoms while in our care, we will contact you to take your child home.

When you arrive:

- Arrive at least 20 minutes early.
- Enter through the doors facing Parsonage Street.
- Maintain social distance while waiting in line to check in.
- We will check your child's temperature. Anyone with a fever over 99.4° will be asked to leave the campus.
- Security tag will be printed for you.
- Special instructions will be available for parents with infants.
- Parents will not have access to their child's classroom. A host will take your child to and from their classroom.

While you're here:

- Physical distancing will be implemented when possible and masks are recommended.
- All children and volunteers will be encouraged to wash their hands regularly. Hand sanitizer will be available in all classrooms.
- No outside food allowed. A prepackaged snack will be provided.
- Please keep your phone accessible in case we need to contact you.
- When you pick up your child, enter through the doors facing the church.
- Give your security tag to a host and they will bring your child to you.

Thank you for your patience as we do what we can to keep your child safe. This plan is subject to change. We want our church family of friends to proceed with caution and compassion as we **Trust in God** to lead, guide, and direct us in the days and months ahead.
