WHERE DO I START

- You should identify 5-7 courses from your Degree Plan that you need to take; (Review Degree Works for in-progress and completed courses to avoid selecting courses you have already completed)
- You should have 3 to 4 Alternative classes selected.
- 15 to Finish: Take 15 credit hours each semester to graduate on time; and
- Be prepared by meeting with your Academic Advisor to review your Degree Plan/Degree Audit/Roadmap to Graduation

REGISTRATION ERRORS

- **Link Error** – occurs when you are trying to register for a class that has a lab or a separate paired class.
- **Time Conflict** – occurs when you are trying to register 2 or more courses that times overlap for any amount of time on the same day (even a five-minute overlap is not permitted).
- **Pre-Requisite & Test Score Error** – occurs when you do not meet the requirements to take a course; this error also occurs if you attempt to add a TSI paired course separately. The TSI parried course must be registered simultaneously.

REGISTRATION ERRORS CONT.

- **Level Restriction** – occurs if you are not the appropriate level for the course (ex. Freshman trying to register for a restricted Junior or Senior level course).
- **Class/Cohort Restriction** – occurs if you attempt to add a Honors course when you are not in the Honors Program or similar restricted programs.
- **Department Approval** – occurs if you attempt to add a section reserved for a specific population designated by the college, major or department (i.e. Majors only, etc.)
