

PROTECT YOUR HOME WITH FLOOD INSURANCE

It's hurricane season and flood losses are not covered by homeowners insurance.

What does flood insurance cover?

BUILDING PROPERTY

May help insure the building and foundation, electrical and plumbing systems, central air and heating systems, some appliances, detached garage, and paneling.

PERSONAL PROPERTY

May help insure clothing, furniture, electronic equipment, some portable appliances (window air conditioners, microwaves, dishwashers, etc.), curtains, other valuables like artwork and furs.
