

# Winter Break @ Ross-University Hills

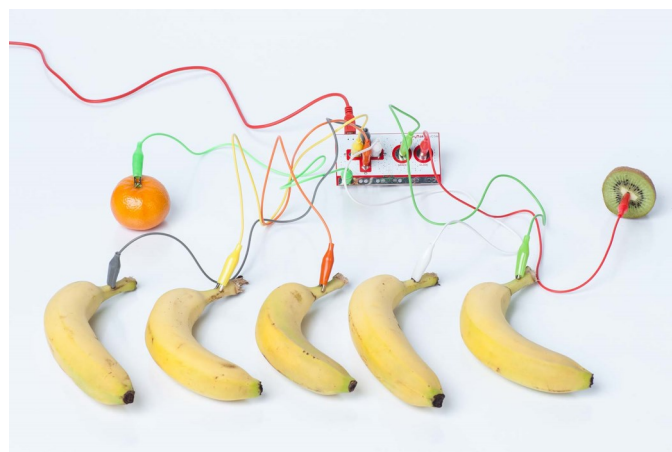

## Light Up Snowflakes Thursday, December 27, 2-3:30 p.m.

Join us for this fun and creative winter craft! We'll use copper tape, LEDs, and coin batteries - along with all of our fancy paper-folding skills - to make a light-up papercraft snowflake card.

## Makey Makey

Thursday, January 3, 2-3:30 p.m.

Ever wish you could have a video game controller made out of food? Your wait is over! Join us to create a Makey Makey controller and use it to play games and make music. You keep the food, the hardware stays here.

**Appropriate for ages 9-13, no registration required, while supplies last.**
