## YOUTH PROGRAMS

AT THE DANIEL L. RITCHIE CENTER FOR  
SPORTS & WELLNESS

### SCHOOL DAYS OFF

School Days Off is a sports day camp offered on days when most local schools are out of session. At School Days Off, campers participate in a variety of sports activities, including: rock climbing, ice skating, field house sports, yoga, and more!

### P.A.S.S. CAMP

Throughout the summer, more than 10 different sports are offered and taught by camp staff. Coaches work on instilling sound sport fundamentals so our campers can be successful and advance in their chosen sports. Best of all? Campers practice and play in the Division I facilities the Denver Pioneers call home!

### BIRTHDAY PARTIES

All birthday parties include 1 hour of your selected activity, 45 minutes in a party room, decorations and clean-up, balloons, a party favor for each child, free on-campus parking, party host and more!
