

Accelerate Neighborhood Climate Action Forum
Saturday April 28th 10:00AM-3:00pm
(coffee and bagels at 9:30)

Carriage House of The Accelerated Schools
2160 S Cook St.

UPCC is sponsoring an *Accelerate* Neighborhood Climate Action Forum featuring climate scientists and practitioners. This is a professionally facilitated event to help establish a University Park Sustainability Initiative. Sunny Walker, ToP of The Institute of Cultural Affairs is scheduled to be the lead facilitator and the event will feature professionals in the climate field. After morning discussions and presentations including City Councilman Paul Kashmann and information about ongoing actions lead by your UPCC, lunch will be provided along with “table talks” on Soil and Carbon Capture, Solar Energy Opportunities, Garden initiatives and Tree cover (approximately 12:00-1:30). The afternoon will be for providing your input and goals for a University Park Sustainability actions plans. The Forum facilitator will compile all your ideas and work into an action binder for the neighborhood.
