

BUZZ FLUTTER FLY

There is a frantic Momma Butterfly looking for a home. The Children's Art School Spring classes will offer **BUZZ FLUTTER FLY** on DPS Teacher Professional Day, Friday, April 19, from 9:00 am to 12:00 noon. Young artists will explore how to invite nature's wild creatures that fly and flutter into a garden. Design Hummingbird Fountains, Bird Houses and a Fluttering Butterfly with sunlight wings. Receive Color Ins to help identify your new creature friends and seeds to plant that Momma Butterflies will love! Preregistration is requested at www.artcreates.org and 303 369-7956.

ages 7+
