

University Park Owls

2019-2020

Hello First Graders,

Welcome to first grade! We are so excited to have you in our first grade classrooms. We hope you are having a wonderful summer so far. We have been doing a lot of gardening, reading, relaxing, traveling and spending time with our families.

We know we will have a great year reading, writing, and learning together. All the things you learned in kindergarten will help you in first grade. This year we will be writing stories and poems, making "All About" books and even doing some research projects. We love math and science and hope you do too. This year, first graders will be studying animals, properties, and weather in science.

Don't forget you can drop off your school supplies on Thursday, August 15th between 4:30-5:30 in your first grade classroom. Bring a family picnic to eat on the playground and meet other families from first grade from 5:30-6:30.

School begins Monday, August 19th. Back to school night will be September 4th from 6-7:30pm. Enjoy the rest of the summer and we will see you soon. We can't wait to hear all about your summer adventures.

Sincerely,

[Ms. Moss](#) - Room 105 - Mallory_moss@dpsk12.org

[Mrs. Hays](#) - Room 102 - becki_hays@dpsk12.org

[Mrs. Laurent](#) - Room 103 - donna_laurent@dpsk12.org
