

# South Platte River Environmental Education (SPREE)

Winter 2020

**Holiday Camps:** fun, educational days filled with games, crafts, and adventures by the South Platte River during DPS school breaks!

**Who:** Students in kindergarten (at least 6 years old) through 5th grade

**Cost:** \$55/camper/day\* | **Aftercare** \$7/child/day

**Location:** SPREE HQ | Johnson Habitat Park

610 S Jason St. Denver, CO 80223

**Hours:** 8:00am-4:30pm | **Aftercare** 4:30- 6:00pm

**February 14: Mapping Our Way;** North, South, East & West.... If you know the cardinal directions you can never be lost, right? Learn how to read maps, and how we can use features in our ecosystem to find our way.

**February 17: FBIs;** Fungi. Bacteria. Insects. Scavengers. These are the major players of our ecosystem FBIs! Join us as we take a deeper look at the living things in our ecosystem that help decompose!

## Sign Up Today Before Spots Fill Up!
