

Look Whooo's in Kinder

SUMMER CAMP!

Is your student eager to start UPark Kindergarten?
Are they full of questions?
Anxious or excited?

We have a great opportunity for all of these
soon-to-be UPark-Owls...

An enrichment camp will enhance incoming
Kindergarten readiness skills as well as build
your student's confidence and lessen any
anxiety they may have about starting a
new school.

Daily activities will be creative, early-
childhood friendly, educational, student
centered, and FUN.

Each day will include...

- ❖ **friendship building**
- ❖ **songs and sounds**
- ❖ **early literacy**
- ❖ **"cooking" our own snacks**
- ❖ **play-based math**
- ❖ **art**
- ❖ **outdoor adventure**
- ❖ **and more!**

All through our week-long thematic session:

"Owl About Us"

Monday June 5th- Friday, June 9th
9am-1:00pm

Focusing on getting to know **OWL** about ourselves,
our friends, and University Park Elementary
School.

Students will be able to preview Kindergarten
routines, expectations, and both academic and art
content through creative owl-themed activities.
