

Hello! My name is Lauren Beatty. I will be the new part-time Fourth Grade teacher here at University Park. I graduated from the University of Iowa with a degree in English and completed the Teacher Licensure Program at MSCD. I began my career at Green Valley Elementary School teaching second grade in 2011. After two years at GVE, I changed roles and worked for a year as an intervention teacher at a DPS Charter School, which allowed me the privilege of teaching students ranging from 3<sup>rd</sup>-5<sup>th</sup> grade in both literacy and math. I then returned to Denver Public schools where I have taught second grade literacy, K-5 Project Based learning, and ELA. When I am not teaching, I love to spend time with my loving husband Grayson, imaginative daughter Gemma, sweet baby girl Harper, two naughty cats, and energetic puppy. My daughter Gemma will turn five this May and my other daughter Harper will be one in July. Both girls do a very good job keeping me not only busy, but incredibly happy. I can't wait to get to know the University Park community and have a wonderful year!
