Young Rembrandts – Drawing

Back-to-school is in full swing at Young Rembrandts, as we present drawing lessons that encompass a fascinating world of color, pattern, and design. Students will strengthen their marker rendering skills as they draw a detailed gumball machine. A drawing of a sandwich will make them hunger for more art. We'll travel back in time to the age of the pharaohs as we illustrate a decorative, Egyptian headdress. An illustration celebrating the fall season will introduce our colorists to warm and cool colors. All this and more await your child in a Young Rembrandts classroom! Sign up today!

Chess Wizards - Chess

Chess Wizards is one of the nation's premier chess education companies. Our interactive, discovery-based curriculum inspires students to think ahead, visualize their goals, treat others with respect and to learn from mistakes. First, we let kids get the wiggles and giggles out with 10 minutes of free play and review of past taught topics. We then go right into the week's lessons. We separate students based on skill levels and teach different lessons best suited to their individual needs. All lessons have an activity and homework to accompany them and we have well over 80 different lessons to keep challenging our little wizards! Chess has been taught for thousands of years because of its emphasis on logic, tactics and sportsmanship. Let us coach your kids to a higher level of education!

Omniform Karate

Omniform is a martial art that develops the mind, body and the character of the student. It's a blend of Tae Kwon Do, Karate, Boxing and Yoga. The intention of the training is to empower the student to consciously and deliberately develop his or her own unique power - the power of self-confidence, strength and leadership that attracts positive experiences around them. We welcome students with no martial arts experience as well as students with previous experience. The cost of a uniform, jump rope and gear pack and study guide is \$72, which you can purchase directly from the instructor. Missed classes can be made up at our studio location.

Bricks 4 Kidz

Bricks 4 Kidz is a hands on after-school Enrichment Class Using LEGO® bricks, Motors, & Battery Packs. Students use architecture and engineering principles to learn concepts across a variety of subject areas. Your child's learning doesn't need to stop when the bell rings. At Bricks 4 Kidz®, we believe it's important to tap into a child's potential by encouraging their curiosity and creativity in and out of the classroom. Our fun-filled model plans designed by engineers and architects, teach children to learn with LEGO® Bricks. Our theme- based project kits motivate children by reinforcing S.T.E.M. based principles while enhancing self-esteem, improving fine-motor skills, and teaching important classroom lessons such as organization and following directions.
