

Greetings!

My name is Dominique Abeyta and I am the new Facility Manager at University Park Elementary! I am very excited to be here! I have worked in the district for 6 years, mainly in the North West region of DPS. I take my role here at University Park seriously, as it is my job to create a safe and clean environment for students and staff to learn in. I believe fully in the open door policy, and welcome anyone to come and talk to me during the hours I am here.

Outside of work, I do an abundance of side jobs, creative jobs and volunteer work. I am a Denver native and artist. I have work published online and show my works of art in galleries all over Colorado! I am registered as an ordained minister in America Marriage Ministries and love to perform non-traditional wedding ceremonies. I am a chalk sign artist and create many signs for various companies throughout Denver. I volunteer at galleries to curate shows and find artists. I also volunteer at Urban Peak. Giving back to the community I live and work in brings me joy.

During my spare time I like to visit our beautiful mountains with my German Shepard mix, my Golden Retriever and my Fiancé. I travel as often as I can to see family in different states and spend time working on my book, The Chronicles of an Intuitive Custodian.

Thank you for taking the time to read this and get to know me better. I hope to meet you soon!

Respectfully,

Dominique Abeyta
