

Hello 2019-20 Kindergarten Families,

Welcome to University Park! We are excited to have you in our classes. In kindergarten, we will have so much fun exploring with all of our senses as we read, write, play, exercise, and bring out the authors, readers, mathematicians and scientists in ourselves. Please save the following dates as we kick off the school year:

- **Thursday, August 15:** School supply drop-off, 4:30-5:30. Meet your teacher, see your classroom, and bring your own picnic to enjoy outside from 5:30-6:30!
- **Monday, August 19 AM:** Kindergarten Student Orientation (1st day for grades 1-5)
Each student has an assigned time to visit inside the classroom at 9:15-10:00, 10:15-11:00 or 11:15-12:00. We will welcome your student in a “soft start” to help children become familiar with some routines and their new surroundings. Parents please stay on campus and join the PTA for coffee and Kleenex on the playground.
