

Hello UPark Students,

Welcome to 2nd grade. We are so excited to meet you and we feel lucky to have you in our classes this year. We have so many great things planned for this coming year. We hope you are having many adventures this summer and if you are keeping a journal or taking some interesting photos please feel free to share them when we begin the school year.

2nd grade is a wonderful time at UPark! This year we will be exploring many interesting topics in reading, writing and math. Some things you might look forward to are:

- ✓ A stuffed animal collection for children in need
(Service learning project)
- ✓ Field trips around our community
- ✓ Cultural heritage presentation
- ✓ An author study presentation

Remember, you can drop off your supplies on Thursday, August 15th between 4:30 – 5:30 in your 2nd grade classroom. Bring a family picnic to eat on the playground from 5:30 – 6:30.

School begins Monday, August 19th. Enjoy the rest of the summer and we will see you soon.

Sincerely,
Mrs. Archambault (room 113)
Ms. Reynolds (room 114)
Ms. Kaplan (room 119)
