

The background of the poster is a rustic wooden surface, possibly a table or cutting board, covered with various fresh vegetables and herbs. In the top left, there are red bell peppers and green leafy vegetables. A single orange carrot is prominently placed in the upper left. To the right, there's a small wooden bowl containing white rice or grains, garnished with small dark seeds. In the bottom left, there are several red tomatoes on the vine. The bottom right features a large green leaf, possibly a cabbage or lettuce leaf. The overall theme is fresh, healthy, and natural.
