

Join us for exciting STEAM and Maker full-day Summer Camps at DPS sites. Explore science and engineering through art with our visiting artist mentors & NASA consultants!

STEAM SUMMER CAMPS 2017

6/12-16 ~ POLARIS AT EBERT

Master Makers!

Soldering, circuits, motors and more! Dig deep during this exciting Maker experience.

Times: 8:30am – 3:30pm **Grades:** Entering 3rd-6th
www.eurekus.org/summer-camps-2017/polaris

7/10-14 ~ SWIGERT INTERNATIONAL

SpaceMakers NASA Week!

Have a blast during a fun-filled week of space inspired investigation with our NASA programs.

Times: 8:30am – 3:30pm **Grades:** Entering 2nd-6th

7/17-21 ~ STEELE ELEMENTARY

SpaceMakers NASA Week!

Make art, learn to solder, design a mission and explore the cosmos in dynamic ways.

Times: 8:30am – 3:30pm **Grades:** Entering 2nd-6th
www.eurekus.org/summer-camps-2017/nasaweek

7/31- 8/4 ~ TELLER ELEMENTARY

Engineer, Invent, Explore - Maker Camp

From woodworking to electronic inventions, have a blast during this unique Maker experience.

Times: 8:30am – 3:30pm **Grades:** Entering 2nd-6th
