

LETTERS OF REFERENCE:

We require two letters of reference, saved as PDF files, to be submitted with your application. In the event that one or both letters are not included with your application, they must be emailed to Danie Caro (dcaro@iwlca.org) by the August 15 application deadline. **Letters should not exceed one typed page in length.**

One letter should be from the head coach at the institution that currently employs you and should address your strengths as a coach and identify areas where they believe you should focus on developing. The letter should also detail how they plan to support you in your coaching development during the upcoming year.

The second letter should be from an administrator at your institution (it does not have to be an athletics administrator) and should address the contributions you have made to your program and department. The letter should also include how they believe you will benefit from participation in the Aspire program.

Any questions regarding the letters can be directed to Danie Caro.

IWLCA Aspire Purpose Statement

In alignment with the IWLCA's organizational mission, values, and commitments, the Aspire program will provide an intensive and high-quality continuing education opportunity for member coaches to develop and enrich their knowledge, skills, and capabilities as professionals. We are committed to making a positive impact on the intercollegiate coaching profession by focusing on the inclusion of a diverse group of participants and fostering their on and off-field achievements and success.
