A special thank you to **Latham & Watkins**,
our Reception Sponsor.

CARPLS provides the largest number of free legal services of any legal aid in Cook County, with more than 54,000 legal consultations provided annually. Last year, we expanded our services statewide to eligible military members, veterans and their dependents through our Illinois Armed Forces Legal Aid Network (IL-AFLAN) hotline funded by the Illinois Equal Justice Foundation. This benefit raises nearly \$500,000 in operating revenue for CARPLS. Your generous participation in our Golden Gavel Celebration ensures everyday justice is accessible to thousands of everyday people.

Thank you for your support.
