Join Episcopal City Mission, Episcopal Diocese of Massachusetts' Racial Justice Commission (Reparations Sub-committee) and Reparations Interfaith Coalition for Sacred Reckonings, a powerful two-day in-person gathering on May 16 and May 17, each day from 1:00 PM - 6:30 PM at **St. Paul's Episcopal Church in Natick, Massachusetts**. This conference invites faith communities and individuals to explore the spiritual, relational, and material dimensions of reparations — and to begin (or deepen) the work of repair in your community. **Learn from experienced trainers who've guided faith communities across the country, and leave with practical tools to lead courageous conversations.**

Come be part of a growing network of faith communities committed to this work who are supported, connected, and moving forward together.
