

Rim O' the World

Association of REALTORS®

March 23, 2020

To all our friends in the Rim of the World Association of Realtors family,

As we all know, the world around us is changing rapidly. Each day brings a new challenge that we have to overcome with grace, wisdom and kindness.

Effective immediately, physical operations at the Rim of the World Association of Realtors office are suspended through April 2, 2020 to comply with the statewide "Stay at Home" directive from the Governor's office. Broker tour is also suspended through April 2, 2020. The physical office is closed.

What's most important to us at this time is focusing on what we can do to contribute to the safety of our membership as well as keep everyone abreast of any new or changing requirements as to how we collectively conduct our business. Please be sure to refer to the communication sent on 3/2020 with links to explain the new Coronavirus Addendum/Amendment (form CVA), the Coronavirus Guide for Realtors, and other important information.

Office staff is working remotely during normal work hours so if you have questions or need anything from your Association, please email and you will receive a timely response.

Sincerely,

The Rim O' the World Association of Realtors Board of Directors
