

WELCOME TO THE PROMISED LAND

Led by Paul Applefield

Part 1

Sunday, February 24th, 10:30am - 12:00pm

Part 2

Sunday, March 3rd, 10:30am - 12:00pm

Our weekly Torah readings take us from the story of creation to the threshold of the "Promised Land", providing us little detail about the land itself or the relevant historical events which impacted Israelite settlement.

Join us for this two part class during which we will attempt to expand our perspective about the life and times of our people both before and after their entry into Canaan.
