# Reverse Tashlich

**September 16, 2018**

On Rosh HaShanah, it is customary to go to a body of water and symbolically cast our sins into the water during the *Tashlich Service*. This year, we will reverse the process and, as a united community, remove our sins from the water and clean up our water fronts.

Hillels of the Florida Suncoast's Tikkun HaYam program is joining together with Keep Pinellas Beautiful and Keep Tampa Bay Beautiful for our first-ever *Reverse Tashlich*.

Come be a part of Tikkun HaYam, the world's only Jewish marine conservation organization, and our inaugural Reverse Tashlich event happening in Tampa Bay!

***Join our team & be part of this special event.***
