**WE SOAR**

Every five years, the Black Women Lawyers' Association of Greater Chicago, Inc. invites Black women lawyers, law students, and allies from across the country to Chicago to our national summit to engage, encourage, and empower one another.

The 2023 National Summit of Black Women Lawyers will feature a wide range of programs across a variety of topics, including career strategies, board service, brand development, physical and mental wellness, views from the bench, developments in constitutional law, and civil rights, in addition to opportunities for fellowship and community engagement.

We invite you to partner with us as we uplift Black women in the legal profession. For more information on how your organization can support the National Summit as a sponsor, please contact Summit Fundraising Chair Amanda Brown at [amanda.brown@skadden.com](mailto:amanda.brown@skadden.com).
