THE WALL THAT HEALS

★ COMING TO GARDENA ★

Thursday, April 4 – April 7, 2024

The Wall That Heals exhibit is a mobile three-quarter scale replica of the Vietnam Veterans Memorial in Washington, DC accompanied by the Mobile Education Center.

Bringing The Wall home to communities throughout our country allows the souls enshrined on the Memorial to exist once more among family and friends in the peace and comfort of familiar surroundings.

The traveling exhibit provides thousands of veterans who have been unable to cope with the prospect of facing The Wall to find the strength and courage to do so within their own communities, thus allowing the healing process to begin.
