## Commissioner's Corner

Safeguarding Youth Training (SYT) is replacing Youth Protection Training (YPT). Scouting America has updated this training receiving input from respected experts in child safety, law enforcement, and child psychology, Scouting America is committed to creating a safe and secure environment for all.

This training is mandatory for all registered adult leaders. The duration of the training is 90 minutes. It is available in English and Spanish. It is required to complete all lessons and score 80% or higher on the final test. After completing the full course once, a 15-minute refresher and retest is required every year to stay current.

All volunteers will be required to take the new Safeguarding Youth Training within the next 12 months.

# Recruitment Readiness

## June Membership Article

**Welcome to your June monthly Membership newsletter article. As we welcome summer's arrival, this month's article will touch on a Membership Renewal update plus mention about Summer Activities, National Night Out and Fall Recruitment Readiness. There will be additional information shared on our Membership Website, July & August PTAC Newsletters and at our August Roundtable Kick-offs.**

**Membership Renewal Update:** Due to the recent changes in the Membership and Unit Renewal process, your Professional and Volunteer teams will be working with our Unit Key-3's by asking for a copy of your "working" rosters that you use to record attendance and advancement and not the roster in [my.scouting](#). The purpose of this request is that we would like to perform a Membership Inventory of all our units to ensure that no Scout or Scouter was inadvertently dropped off your roster.

Please remember that Membership Renewal is an ongoing monthly process. If your unit has any members in their "Lapse Period", your District or Unit Commissioner, District Membership Chair, District Chair and / or your DE will be reaching out to you asking, "How Can We Help".

**Summer Activities:** During the Summer, we need to have a Scouting presence in our neighborhoods by participating in parades, festivals, and other community events. At our Service Centers, we have postcards, gliders, silicon wrist bands, book markers and other recruitment materials to support your participation in your community events. We have a limited supply of Canopies, Feather Banners, Polycore cutouts, Sandwich Boards, Tables, and Tablecloths available at our service center for your Scouting Booth. Please work with your District Executive to pick-up all supplies that you would need when you are out in your communities and neighborhoods. Please remember, these events should be focused on increasing the awareness and interest of our Scouting Program. These events will "plant the seed" that will lead to a successful Fall Recruitment.

**National Night Out (NNO):** This year, the 2025 National Night Out will be on Tuesday, August 5th. This is an excellent opportunity to use this event as a "springboard" for your Fall Recruitment since there will be at least 45 Illinois cities and 5 NW Indiana cities participating within PTAC. Please go to the NNO website (<https://natw.org>) if you have any questions or to see if your city is participating as new cities register on a regular basis. Please work with your District Membership Chair and DE to get materials for this community event.

**Fall Recruitment Readiness:** At our August Roundtable Kick-offs and in the PTAC July Newsletter, we will discuss how to prepare for Fall Recruitment. The first step any unit should take is to ensure that your BeAScout Pin is active and current, which includes all pertinent contact information. Most important, your Pin Mode should be set to "Allow Units to Update Pin information" so you can make the necessary updates. If your pin is set to "Council Mode", please reach out to your District Membership Chair, your District Executive, or myself ([arrek1@hotmail.com](mailto:arrek1@hotmail.com)) so we can change this designation to allow your unit to make all updates to your unit's pin. All remaining toggles have their own unique significance, but each unit can decide which toggles should be turned on. A rule of thumb, a unit should have all these buttons turned on, so a new family has multiple options to contact you and to see your additional unit information. If the "Appear on BeAScout" toggle is off, then your unit will not appear on BeAScout.org and you will be invisible to all families searching your community for a Scouting unit.

In closing, I would like to thank everyone for all your hard work and dedication to ensure our youth, and their families can experience a Quality Scouting program. Please remember, a successful recruitment program, for both youth and adults, should be 24/7 as it can take multiple contacts to recruit a new family to join Scouting. Please read future newsletters, visit our Membership Website, and attend your District Roundtables for additional information. If you have any questions, please work with your District Membership Chair, District Executive, and your Unit Commissioner.

**Yours In Scouting,**  
**Rick Romani – PTAC Membership VP**

## Skills & Thrills Camporee

Despite a dust storm last month and chilly weather, Scouts from our Indiana Prairie Dunes district had a blast at their "Skills and Thrills" Camporee, hosted by Troop 53. The weekend event was filled with learning, camaraderie, and adventure.

New Scouts had the opportunity to develop essential camping skills, while returning Scouts refreshed their knowledge and worked toward earning merit badges. The camporee balanced fun and education, including activities like outdoor cooking, dancing, and s'mores by the fire.

Congratulations to Troop 697, who took home the coveted camporee award this year! We're already looking forward to next year's event, which will be hosted by Troop 88.

A special thank you goes out to the incredible instructors who led sessions and activities throughout the weekend!
