

We're bringing the STEAM in Scouting program to North Park University!

Hosted one Saturday a month from 9:00am to 1pm, open to all interested 6th-8th graders, this innovative program will be led by staff and researchers from North Park University.

We will be covering the following subjects this year:

- Drones (October 26th, 2019)
- Mobile Development (November 16th, 2019)
- Cyber Security (January 18th, 2020)
- Communication, Coding, and Mini Sphero (February 15th, 2020)
- Nature Drawing and Journaling (March 21st, 2020)

The cost is \$50 per student for the program.

Please contact Kristen Vogt, the Director of STEAM and Innovation, at kristen.vogt@scouting.org or at 312-421-8800 ex 232 for registration and questions.

Location: 3225 West Foster Ave, Chicago, IL 60625-4895 .
