

## Sponsorship Opportunities 2019

Event Sponsorship helps underwrite the cost of our two fundraising events allowing 100% of the donations made during the event to go to directly support Clothes For Kids and our School Wardrobe Program. This year we celebrate 35 years of serving students.

### 8<sup>th</sup> Annual Celebrate the Children Auction April 20 2019

## Coins For Kids Matching Sponsor

Each year, elementary and middle schools participate in the Coins For Kids drive. This drive helps to build awareness for Clothes For Kids and raise funds for our School Wardrobe program. Most schools have between 450 and 700 students and raise between \$500 and \$1,500 through their one-week campaign. A Matching Sponsor will be partnered with a specific school and will be recognized through the materials for that school drive as well as on Clothes For Kids' social media. Simply match what the students raise!
