## Bureau of Developmental Services

### In Home Supports Waiver Listening Sessions

#### **We want to hear from you!**

The In Home Supports (IHS) Waiver is beginning the renewal process, with an anticipated completion date of 1/1/2026. Prior to drafting any changes to the current waiver, the Bureau of Developmental Services is kicking off a series of individual and family listening sessions to hear feedback, experiences, and thoughts from individuals and families who utilize services on the IHS Waiver.

The Institute on Disability at UNH will facilitate these discussions.

The sessions are being held in three locations to accommodate a broad geographical area, as well as two virtual sessions.
