

VOTING GUIDE

The majority of information on local voting, candidates, and poll dates/times can be found through the New Hampshire Secretary of State's website, at sos.nh.gov.

Below is a step-by-step guide on voting in elections, from registration to what you need on election day:

Voter Registration

Make sure you are registered to vote in New Hampshire. You can check your voter registration status online at vote.org or through the NH Voting Information Lookup webpage.

Candidates

Complete in-depth research before voting! Research the candidates' views, decisions, and actions. Informed voters are a key aspect of civic engagement.

Check Voter Accessibility

Inform your town that you need an accessible method of voting, such as icon-based, accessible parking and booths, curbside voting, and more. Resources are available on how to request assistance.(transportation resources, etc)

Voting Hours

Generally, NH polls are open from 7:00 AM to 7:00 PM on Election Day. Find your town/city's times on the Secretary of State's website, under the Voter Information Lookup.

Voter ID

Always have a valid form of identification at the polls. This includes a driver's license, passport, or other government-issued ID.

We hope these election voting tips have been helpful. Remember, **every vote counts!**
