

The Cost of Medicaid Cuts

More Than Just Financial – It's Lives

Impacts of 3% cut to Medicaid Rates

Hear it from the families / support providers

- "...Caregivers would be **forced to give up jobs...**" – Enfield
- "...**Nurses clock out**, but parent caregivers are not given that choice..." – Brentwood
- "...My son will **become a prisoner** in his own home..." – Stratham
- "...Cuts walk back progress through **advocacy inspired by desperation...**" – Nashua
- "...**Institutionalized care is far more costly...**" – Grafton
- "...Health will decline, and **people will require even more care...**" – Jefferson
- "...DSPs are already **being paid under a livable/survivable wage...**" – Alstead
- "...Cuts **reduce access, safety, and dignity...**" – Manchester

Eliminate the proposed 3% Medicaid Rate Cuts

If the waitlist is not fully funded

- "...Caring for our child at home saves the state money... this is **unsustainable if no funding.**" – Manchester
- "...**Long waits for services now...** it will be impossible to get services..." – Salem
- "...I would have had to quit my job... relying **MORE on Medicaid...**" – Northfield
- "...My son would **lose his job** with no support..." – Salem
- "...**Investments made and skills gained** during school years would be for nothing..." – Litchfield
- "...**People can't wait. My son can't wait.**" – Derry
- "...These cuts aren't just numbers on a budget sheet... it impacts real people..." – Salem

Fully Restore Waitlist Funding

Cuts to Room and Board

- "...We are **elderly** with no family. There is **no one to care for our daughter...**" – Bow
- "...It would be catastrophic... she would **lose her independence.**" – a town in NH
- "...She would be placed in a Florida institution at an **extraordinarily higher cost...**" – Brentwood
- "...I would need to leave my job. We would be **applying for more government assistance...**" – Peterborough
- "...How would she survive with **no residential funds?...**" – Bow
- "...We would be at high **risk of homelessness...**" – Manchester
- "...**Don't force us** to consider institutionalized care..." – Milford

Fully Fund the \$10m Room & Board request
