## **Community Health Center of Fort Dodge Welcomes New Psychiatric Mental Health Nurse Practitioner**

The Community Health Center of Fort Dodge is excited to announce that Charlie Mason, a board-certified Psychiatric Mental Health Nurse Practitioner (PMHNP), has joined our team. Charlie has experience in both medical-surgical and behavioral health nursing, providing a strong foundation for his work in mental health care.

Charlie earned his Master of Science in Nursing from the University of Maryland, a Master of Business Administration from Herzing University, and a Master of Science in Psychiatric Mental Health Nurse Practitioner from Wilkes University.

Originally from Georgia, Charlie now calls Iowa home. In his free time, he enjoys fishing, hiking, and spending quality time with his family and friends.

He is now accepting new patients, ranging from children to adults, for psychiatric and mental health services. Charlie has openings both during daytime hours as well as evening appointments. We look forward to the positive impact he will have on our patients.

Community Health Center of Fort Dodge accepts Medicare, Medicaid, most private insurance and has a sliding fee scale for those who qualify. For more information or to schedule an appointment with Charlie Mason, please contact the Community Health Center of Fort Dodge at 515-576-6500 or visit [chcfd.com](http://chcfd.com).
