### Jessica Doolittle, ARNP joins Community Health Center

Community Health Center of Fort Dodge is pleased to announce that Jessica Doolittle, Family Nurse Practitioner (ARNP), has joined their medical team. With 20 years of diverse nursing experience, Jessica brings a wealth of knowledge and expertise to the center.

A graduate of Southeast Webster in Burnside in 2000, Jessica earned her Associate's Degree in Nursing from Iowa Central Community College in 2004. She continued her education at Chamberlain University, where she obtained both a Bachelor of Science and Master of Science in Nursing, ultimately becoming a Board-Certified Family Nurse Practitioner in 2024. A significant portion of her clinical training was completed at Community Health Center and Van Diest Medical Center's clinic.

Throughout her career, Jessica has gained experience in various specialties, including med-surg, hospice, and surgery. She has spent the last 15 years as a surgical nurse and traveling nurse.

Jessica will be providing primary care services for patients of all ages, including preventive, chronic, and urgent care. She is currently accepting new patients and offers both day and evening appointment availability.

In her free time, Jessica enjoys spending quality time with her son, Christian, as well as with her extended family and friends. She also enjoys reading, singing, and traveling.
