

## Road safety tools and resources for your workplace

*Attend a complimentary, 4 hour workshop  
to improve the safety of your employees who drive for work*

**Tuesday, November 26, 2019  
9:00 am – 1:00 pm**

**BCGEU Nanaimo Area Office  
#106 - 1650 Terminal Ave North  
Nanaimo, BC**

*Our interactive sessions help participants to begin or improve an occupational road safety program that fits their workplace. Participants learn about the human and financial costs of workplace crashes, a process to identify hazards and assess risks and how to develop strategies and use the tools and resources from [Road Safety At Work](https://roadsafetyatwork.ca) to address the unique road safety needs facing their organizations.*

*The workshop is for owners, managers, supervisors, health and safety practitioners, joint occupational health and safety committee members and others who have responsibility for making decisions and developing programs to keep employees safe on BC roads.*

*You are encouraged to send one or two representatives from your organization (maximum three).*

*For more information or to register, visit our [website](https://roadsafetyatwork.ca) or contact Angelina Robinson at [Angelina.robinson@roadsafetyatwork.ca](mailto:Angelina.robinson@roadsafetyatwork.ca) / 604-770-2500.*

***Seating is limited – reserve now!***
