The Ricky Byrdsong Memorial Race Against Hate is the largest racial justice event of its kind in the country, sending a powerful message that we are united in our commitment to end racism, hate, fear, and intolerance throughout our communities. Every year since the first official Race in 2000, thousands of people from all over Chicagoland and the country come together to run and walk in unity against racial hatred and violence, fueling YWCA Evanston/North Shore's (E/NS) mission to eliminate racism, empower women, and promote peace, justice, freedom, and dignity for all.

WHY WE RACE

Race Against Hate memorializes Ricky Byrdsong, former Northwestern University men's basketball coach and Vice President of Community Affairs at Aon Corporation, who was murdered by a white supremacist in July 1999 while walking with two of his young children in his Skokie neighborhood.
