Strong Organization

The Northeast Florida Library Information Network (NEFLIN) is a non-profit, multitype library cooperative. Established in 1992, NEFLIN's members employ 2,720 staff at 550 public, academic, school, and special libraries that serve over 4 million people.

VISION

NEFLIN will provide exceptional services that promote the library as an integral part of everyday life.

MISSION

NEFLIN transforms member libraries by providing services that promote communities of excellence.

VALUES

- Being accessible and responsive
- Creating an environment for sharing knowledge
- Providing services based upon members' needs
- Being innovative
- Making the best use of resources
- Being proactive
- Promoting lifelong learning
- Providing access to information
- Maintaining a FUN environment

NORTHEAST FLORIDA LIBRARY INFORMATION NETWORK
2022-2024 Strategic Plan

Community Engagement

- Support library stakeholder needs assessments
- Facilitate marketing development and collaboration
- Assist library exploration of new partnerships

Enhanced Innovation

- Explore shared access opportunities among members
- Expand use of new technologies
- Keep abreast of emerging trends in libraries

Member Support

- Implement career development opportunities
- Develop personnel skills of member library staff
- Support management of employee morale

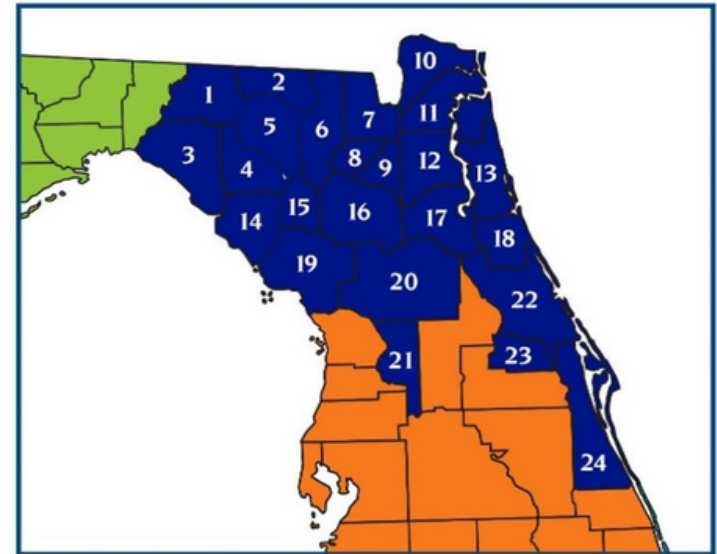

Training Opportunities

- Investigate credentialing for training classes
- Offer more in-person regional workshops
- Evaluate effectiveness of interest groups

Strong Organization

- Provide sufficient staff and expertise at NEFLIN
- Continue to employ a lobbyist to secure state funding
- Strengthen our financial position
