Little Fest
Open Air Art Pop Up!

Members only. The space is free.

Gallery is managing sales. Prices need to include the 20% owed to the gallery.

Professional, convention style table cloth that hangs straight across the front is recommended. All packaging, carts and extra stock will need to be stowed, out of sight under your table the super stretchy table cloths will not hide the things you have under your table. Grids are allowed but they must be in a stable configuration.

You are invited to bring your large and small work to sell at Little Fest. Held outside the North Coastal Art Gallery April 15th thru the 18th

You can request to have a table waiting when you sign up, so you don't have to carry one. Bring your own table cloth.

Sign up on the Members Page #4. Sign up early, coordinating things is easier when we know what to plan for. Showing in front of the gallery is a benefit of membership, there is no fee for participating.

There will be free kids art projects presented on the 16th (teacher in-service day) and the 18th (Saturday). We are still seeking a second project for the 18th

The art bins and mini paintings will be out on all 4 days. we will also have a card rack.

There will be help on hand to watch your items during restroom breaks.

We are seeking assistants for those presenting kids projects.

We are seeking jewelers who wish to participate.

We are seeking small exhibit furniture to make the mini painting display look more professional. Please tape your name on any exhibit furniture you loan us.

Contact juliebrooksclay@gmail.com with questions and suggestions.

If you want to do your own pop up, we can help with resources.
