

## Imbeau Essay for September SED eNewsletter

AMPAC

Thanks again for your continued support of my AMPAC Board tenure. If reappointed, I will be entering my last term. I will be campaigning soon for the Chairmanship, election sometime this Winter.

AMPAC continues robust fund raising, but obviously hampered because of COVID. I miss in person meetings. The Fund is steady. Donations and applicable due diligence continue. However, even though right in the middle of a vigorous national campaign season, the atmosphere is restrained given COVID. But “this too shall pass.”

Sadly, renewals are down in some areas including the Southeast. I am already working with my assigned states (South Carolina, Georgia, Florida, Kentucky, Alabama and Mississippi) but need you ALL to RENEW your AMPAC memberships. See <http://www.ampaonline.org/> or my personal link <https://raz.mobi/C1073.StephenImbeauMD>.

THANKS. And I expect to see you all in June.

Stephen A Imbeau, MD

AMPAC Board
