About the No Strangers Club at Fairmount Presbyterian Church

FPC is committed to being a "third place" where people of all or no faiths can connect and see the humanity in one another. In a culture that is increasingly anxious, angry, and transactional, FPC seeks to offer space for healing and connection. We believe that in order to do meaningful justice work, we must slow down enough to de-stranger the other. The No Strangers Club is an informal, compassionate, and accessible environment where folx can find real belonging. It is a non-religious gathering for anyone who has a hunger for intentional, low-tech, meaningful connection. We believe creating space for people to practice the truth that we belong to one another is sacred. So, don't be a stranger.
