Tale on the Trail at Ice Lake

Visit the Barrett Township Community Park at Ice Lake to embark on this family reading adventure! Follow the trail behind the pavilion and turn right. Enjoy a picture book as you stroll along the path. The path is about 0.12 miles from beginning to end, and then you can continue around the lake or turn around to return to the pavilion. The trail is mostly flat, but rough and rocky. Very young children may need help or prefer to ride in a rugged stroller.
