River Heights Vineyard Church

About Cahill Place & Center City:

Cahill Place will provide permanent supportive housing for 40 homeless families. The building will open in 2020. Construction and project financing has been provided by Dakota County Community Development Agency, Minnesota Housing, Minnesota Equity Fund, and Metropolitan Council. Dakota County will be providing financial support for the on-site services.

Center City Housing Corp. develops, owns and manages affordable housing properties for people in need. We're here to serve the hard to house, the homeless, and those with low incomes. With our support, people around Minnesota are able to find stable housing and affordable rent. But we do more than put a roof over their heads; we link them to support services that will help them find stability in life.

DIRECTIONS:

6070 Cahill Ave, Inver Grove Heights, MN 55076

Remarks will be held in the River Heights Vineyard Church on Cahill Avenue between Upper 55th and 70th Streets. The Cahill Place site is located adjacent to the church; ceremonial photos will be taken after remarks.
