SUPPORT A CONGREGATION

Pond Village Community Chapel Campaign

WHAT'S HAPPENING

This chapel is being sold. Partnering with the **Truro Conservation Trust**, a community group is raising funds to purchase the chapel with the purpose of holding a long term lease with the current tenant, Emmanuel Faith Ministries, thereby preserving a home for this vibrant multigenerational Jamaican congregation, maintaining the building as part of the Pond Village neighborhood and opening the chapel for selected community programming. The goal is to raise \$1.5M. A generous donor has already given \$500K and will **match** gifts from the community 1:1 to raise the additional \$1M needed.

HOW YOU CAN HELP

Gifts can be made via our GoFundMe (scan the QR code) or directly to the Truro Conservation Trust (note “*chapel*” when you give at truroconservationtrust.org). Your gift will be **doubled** by our generous donor! If the bid is not successful, gifts will be returned to donors.

Please donate before our March 31st deadline! The time is NOW!
