

FLORIDA HEALTHCARE
LAW FIRM

December 2021

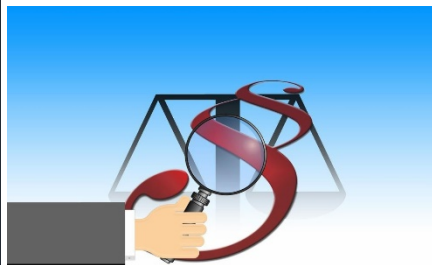

Dear Friends

Halloween, Thanksgiving, Christmas, Hannukah....Aside from the diabetic risk this time of the year brings, I honestly can't get the smile off of my face, and it hurts! We hope your face hurts too! As we all race to close out the year, please know that our team is here for you with whatever you may need.

Jeff

Telemedicine Pharmacy Fraud Trial Ends in Convictions

Telehealth pharmacy arrangements continue to be of significant interest to fraud enforcement. A 2018 case in which four individuals and seven companies were indicted ended in a month-long jury trial of one of the individuals, a Florida pharmacy owner. The federal jury trial in the billion-dollar telehealth pharmacy fraud scheme resulted in conviction on 22 counts of mail fraud, conspiracy to

commit health care fraud and introduction of misbranded drugs into interstate commerce.

DME Industry 2021 Year End Review & Looking Into 2022

Many DME providers have had tremendous hurdles to overcome this year, from the implementation of a new round of Medicare's Competitive Bidding Program through continued impacts of COVID-19. Mergers and acquisitions are through the roof as a result, as are continued compliance concerns that plague the industry. Let's dive into some of the major DME related matters & issues that have come across my desk this year, and what to be on the lookout for in the next.

No Surprise Billing Requirements to be Implemented Jan 1, 2022

On January 1, 2022, a new federal law, "Requirements Related to Surprise Billing, Part I" ("The Rule"), goes into effect for health care providers and facilities and for providers of air ambulance services. The Rule will restrict excessive out-of-pocket costs to consumers which resulting from surprise billing and balance billing. Group health plans and health insurers contract with a network of provider and health care facilities, these providers are considered as in-network providers.
