HONORING

J. BLAKE & DONNA WADE
DR. R. MURALI KRISHNA

March 31, 2020

NATIONAL COWBOY &
WESTERN HERITAGE MUSEUM

Dear Friend,

We are honored you are considering supporting the 2020 Celebration of Recovery. For 40 years, A Chance to Change has welcomed thousands of friends, neighbors, spouses, children and co-workers through our front door and given them a path to recovery. Mental illness and substance use disorders do not discriminate. The crippling effects of these diseases are felt in every neighborhood on every street. Our agency exists to help people out of their darkest hours, but we cannot do it without your support.

In this letter, you will find details on ways you or your company can invest in A Chance to Change through the Celebration of Recovery planned for March 31, 2020. This special evening extends far beyond the event itself. The gift you make will help facilitate low-cost or free programs and services throughout the year for those who cannot afford treatment.

Please join us in honoring J. Blake and Donna Wade with the 2020 Jim McGuinness Award. We also will honor Dr. R. Murali Krishna with the second annual Community Impact Award. We would love to have you celebrate with us.
