25TH ANNIVERSARY

Dear Friend of Art with a Heart in Healthcare,

Art has a special way of reaching us, especially during life's hardest moments. We see it every day at Art with a Heart in Healthcare.

A child smiles while painting from a hospital bed. A parent finds a moment of calm. A patient rediscovers joy through creativity. Because of supporters like you, art becomes more than an activity. It is a source of comfort, hope, and healing. Your generosity helps us provide art supplies, sustain programs for patients and families, and support our incredible Artists-in-Residence who bring creativity directly into healthcare settings.

Thanks to your support in 2025, we were able to offer art sessions to more than 20,000 pediatric, adult, and geriatric patients, along with their families, across healthcare facilities throughout Jacksonville. Each of those sessions represents a moment of connection, expression, and care.

Together, we can keep these moments going. Whether you give at the Visionary, Masterpiece, Gallery, Signature, or Heart level, your contribution truly makes a difference in the lives of those who need it most. We are so grateful to have you as part of our Art with a Heart in Healthcare community.

With heartfelt thanks,
Christy Ponder
