

Dear friend of Art with a Heart in Healthcare,

Art has a unique way of touching the deepest parts of our being, providing solace and inspiration in times of need. At Art with a Heart in Healthcare, we have witnessed firsthand the transformative power of creativity in the healing process. Our goal is to cultivate a supportive environment where art serves as a channel for healing, hope, and joy.

Your generous contributions help us supply art materials, sustain programs for patients and families, and support our dedicated team of Artists-in-Residence. With your help in 2023, AWAHIH provided more than 13,000 art sessions for pediatric, adult, and geriatric patients, along with their families, at healthcare facilities throughout Jacksonville, FL.

Together, we can continue to make a meaningful difference. Join us in our mission to enhance healing through an enriching fine art experience. Your contribution, whether at the Masterpiece, Gallery, Signature, or Heart level, can have a profound and lasting impact. Thank you for being an essential part of our Art with a Heart in Healthcare community.

Many thanks for your generosity,
Christy Ponder
Executive Director
Art with a Heart in Healthcare
