

***One Amazing Kind Man Without Guile  
Now Deeply, Deeply Missed!***

*It is with the deepest disbelief and sorrow that we send our condolences to our Kenyan teammates and friends. The loss of Raphael Galuka has shaken all of us to the core. Raphael's smile and his big heart were often what touched people from the U.S. the very most. It was the vision of his smile that they would carry home and keep. Galuka embodied the essence of Kenya Keys. His hope was indomitable. His energy unbounded. His dedication deep. His love as big as all of Africa.*

*He could fill a room with light. He enlivened any event. He was as strong as a lion and as gentle as a lamb. His motorbike took him to all corners to offer his insight and support. His radiance touched both dignitaries and each child who basked in his warmth. To work with him was to be inspired, to be made better, to be filled with his dream of a better world.*

*He will be missed beyond belief. But we will carry him in our hearts. We will feel him near and hear his laugh. And we will move forward with his bold determination to spread the light of education and to reach those who are so often forgotten. His vibrant spirit will grace our lives for many years to come, as we carry on his work and employ his vision.*

*With deep love,  
Baba Brent and Mama Rinda  
and the huge U.S. fan club of Mister Raphael Galuka*
